

Ho Chi Minh city, November 25-26, 2017

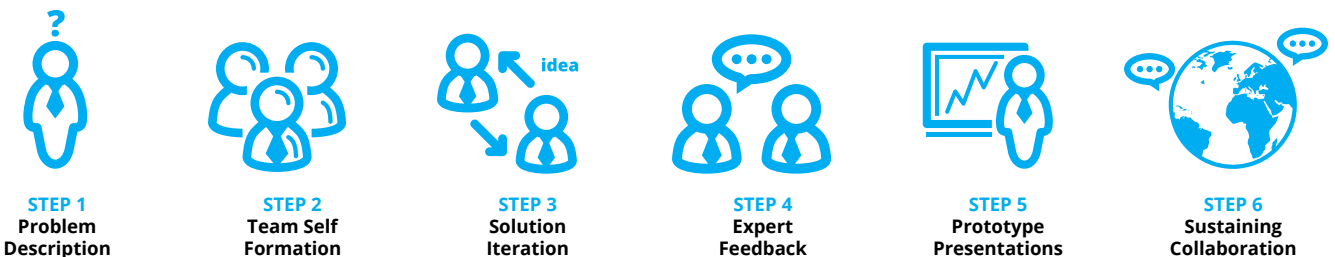

Ho Chi Minh University of Medicine and Pharmacy and The Partnership for Health Advancement for Vietnam invite you to participate in Vietnam's first student HEALTH INNOVATION CHALLENGE

WHAT IS AN INNOVATION CHALLENGE?

A Health Innovation Challenge is an event which brings together students from different disciplines—medical, pharmacy, engineering, humanities, business, design—to learn, build, and share innovative solutions to complex healthcare problems utilizing a team based and interdisciplinary approach.

ARE YOU A STUDENT WITH INNOVATIVE IDEAS?

We are looking for university students to join us in Ho Chi Minh City from November 25-26 to work together to tackle the problem of **ANTIBIOTIC RESISTANCE** in Vietnam.

WHAT ARE THE BENEFITS OF PARTICIPATING?

All students will have the opportunity to:

1. Work in interdisciplinary teams with fellow students
2. Interact and learn from experts in a variety of fields
3. Practice creative and innovative approaches to approach complex healthcare problems
4. Test and pilot ideas and receive constructive feedback

THE WINNING TEAM WILL RECEIVE:

1. Opportunity to present at the 1st Vietnam National Medical Education Conference on December 3rd
2. \$500 in cash
3. Working space at the ASU Maker Space
4. Ongoing mentorship for 6 months
